Please, can you reach out to Alix regarding the status of the review.

Hi Prince —

Happy New Year. I hope this finds you well.

I had received word that Stephanie was reviewing Citgo's pending Refinery Sector Rule request for an extension of time. But, I cannot seem to get through to her phone line (the number I found on EPA's website), and the email I sent below bounced back.

Could you help me to determine who at Region 6 is reviewing this request?

Thank you so much,
Alix

Hi, Stephanie –

Good afternoon. I work with Citgo's Lake Charles, LA refinery, and I understand that you may be reviewing Citgo's currently pending request for an extension of time to comply with the Refinery Sector Rule's fenceline monitoring provision. I've attached the related correspondence, which you may have.

I was hoping to discuss Citgo's request with you. Is there a good time on Monday for me to give you a ring?

Thanks so much,
Alix
